Radio, Sound System, iPod® Adaptor Kit

Customer may comment that their iPod® will not fit in the factory installed iPod® kit.

The following iPods® are included but not limited to:

- Mini
- Nano
- Nano 2

Technical Background

Factory installed iPod® adaptor only works for iPod®.

iPod® Mini, Nano and Nano2 require different adaptors which are now available for customer purchase in kit form.

Production Solution

No Production change required.
