Any radio repair/replacement made for this condition prior to completing this technical bulletin may be debited.

Technical Background

Activation with Sirius®

Production Solution

No production change required.

Service

1. Record the satellite module 12 digit ESN number (located on the satellite module label).
2. With the vehicle running, radio ON and Sirius® band selected, position vehicle in clear view of sky with no restrictions (buildings, bridges, etc.).
3. U. S. Dealers phone Sirius® dealer support at 1-888-465-8528 / Canadian Dealers phone Canadian Sirius® Activation Support, Martin Vu 1-416-513-7466 or Mark Morais 1-416-513-7467.
4. Select prompt number 4 (for other questions).
5. Request an activation signal and the operator will activate the account using a special procedure.
